PROCEEDS BENEFIT

The Memorial Golf Classic, now in it's 10th year, is dedicated to the memory of all our parishioners and friends who have gone before us as founders, builders and supporters of the parish and the community in which we live. We especially remember those who have left us during the past year since our last Memorial Classic. Many of the committee members serve in memory of relatives and friends who have previously worked in and supported projects that have advanced the progress and growth of our community over the past 39 years. From just a few families we have grown to over 2100 families with a beautiful church and worship complex that provides the religious, educational, social, and spiritual needs of the people in the region. We ask you to join us in this joyful adventure as a player or sponsor in memory of someone who is special to you. This is a wonderful way to come together as a community to celebrate those who have meant so much to us and our parish.

Elizabeth Ann Seton Parish is an all-embracing, diverse Christian community who warmly welcomes everyone

ST. ELIZABETH ANN SETON MEMORIAL CLASSIC

Newark Country Club is known around Brandywine Valley for having one of the best old-style, championship golf courses in the area. Requiring a private membership to play, the course is an 18-hole, par 71 course with 6,396 yards from the back tees. Members describe the course as difficult for a better player, but forgiving for an average player. The course plays tight with small greens, and the lush fairways are in excellent condition.

Join us for a great day of golf, plus networking with business clients, employees and friends while you are supporting a great cause.
